MEDICAL PLANS OF CARE

If your child has a medical condition that requires a **PLAN OF CARE** (Asthma, Anaphylaxis, Diabetes, Epilepsy), a letter will be coming home. Please fill out the plan of care and return it to the school so that we have the most up to date information regarding your child's medical condition and medication. Thank you!

Every School Day Counts

Regular attendance is directly related to academic success, personal growth, and future opportunities.

Together, let's make school attendance a priority.

ATTENDANCE

We encourage all families to prioritize attendance by talking to your student positively about attending school and how it supports learning. Please make every effort to schedule appointments outside of school hours and only let your student stay home if they are sick.

CELL PHONE POLICY

For students in grades 7 -12, cell phones are not permitted to be used during instructional time. If a student brings a phone to school, we request that they keep it in their locker for the day.
